- ★ Test series available in ENGLISH medium only.
- ★ These mock tests will be published actually at the time and date scheduled. All serious students who want to see their performance compared to others are expected to write the exam at the same time. It shows perfect analysis where you stand among many.
- ★ This mode is just a replica of the main TGPSC AEE exam.
- ★ It will discourage those who write these exams as mockery by knowing the key before writing the exam on some other day, causing discouragement to serious candidates.
- ★ Anyone who writes these exams shall enter the login exactly at the same scheduled time. After the scheduled date and time, the mock paper will disappear, similar to the main exam. However, it will be available after two days of the scheduled date. But their performance is not compared with others.
